Manual for Online Application

Preparation Important information

Important information

An interruption of the application is possible. Please click through to the end of the application, but do not send the summary (see Guide for online application - page 24). This way, the documents already uploaded will remain saved and missing data can be added or modified at a later date.

You can use your personal password to change or add data until you send the complete application.

Prepare the required documents ([required documents](#)) digitally (scanned, up to max. 10 MB per document).

Foreign documents must be certified according to the certification regulations of the issuing country.

[Foreign documents / certification regulations](#)

Foreign-language documents must be presented in a certified German or English translation. Certificates in English are accepted.

Start of the online application

- > Registration / Basis Account

Registration / Basic Account

Register under: [Application/Online pre-registration](#) to gain access to our application tool.

Registration - basic user

Master data

Mr./Mrs./Ms.

First name

Last name

Date of birth
Format: DD.MM.YYYY

Maiden name

Account data

E-mail address

Preferred language

Study programme data

Are you registered or have you been registered at an Austrian university?

Note

If you do not have an account yet (user name + password), you must create one here.
After completing the registration you will find on your personal card the menu applications through which you can submit your desired application.
After reviewing your data you will be notified via email about the next steps. For any further questions please contact the [Academic Service Center](#) via studium@donau-uni.ac.at

Manual for Online-Application

Enable applicants access

- > Activation system access

Activation of system access

After registration you will receive an e-mail to activate the system access.

To activate your applicant access to DUKonline, please follow your personal access link in the mail.

On the activation page you will be asked to set a new password for your applicant access. With the completion of the registration your application access is created.

Registration - basic user

User name r03ys7zx

Password

Confirm new password

Please choose the password according to the following criteria:

- Required
 - min 8, max 40 characters
 - letters **only in lower case**
 - at least 3 letters
 - at least 1 number
 - at least 1 special character (without numbers and letters) from !#\$%&()*+,-./:;<=>?@[^_{}~
 - must not contain your first name, last name, username or day of birth
- Recommendations
 - Also parts of first or last names should not be used.
 - You should not use parts of words (more than 3 letters) which can be found in (English or German) dictionaries.

Your password may be identical to previous ones.
Therefore, please choose a strong password and keep it secret. To detect potential abuse, we always show you your last login and, in case, failed logins.

Manual for Online-Application

Submit application

> Start application tool

Start application tool

To start with your application please go to - Register application - or follow the 2nd link in your activation mail.

Dear Ms. Englisch,

to successfully complete your application/online-preregistration the following steps are indispensable:

1. Activate your application-account for DUKonline
 To activate your entry/registration for DUKonline please follow the link: https://online2.donau-uni.ac.at/QSYSTEM_DUK/wbselbstregperson_emailBestaetigt?pToken=tFxauSGhnqACLTEDiChRMYyFkYpvljQluVEPDXRoBNWHdoFZHjvtEdPddnWDBWph
 IMPORTANT! This activation needs to be completed until 11.12.2019 13:00

On the activation page you will be asked to choose a new password for your application-account.

2. Perform your application
 After successful activating your account please log in with your password on the site <https://online.donau-uni.ac.at/DUKonline/webnav.ini?pUrl=wbAnmeldung.durchfuehren%3FcUrl%3DwbBeerbung.wizard> and submit your application.

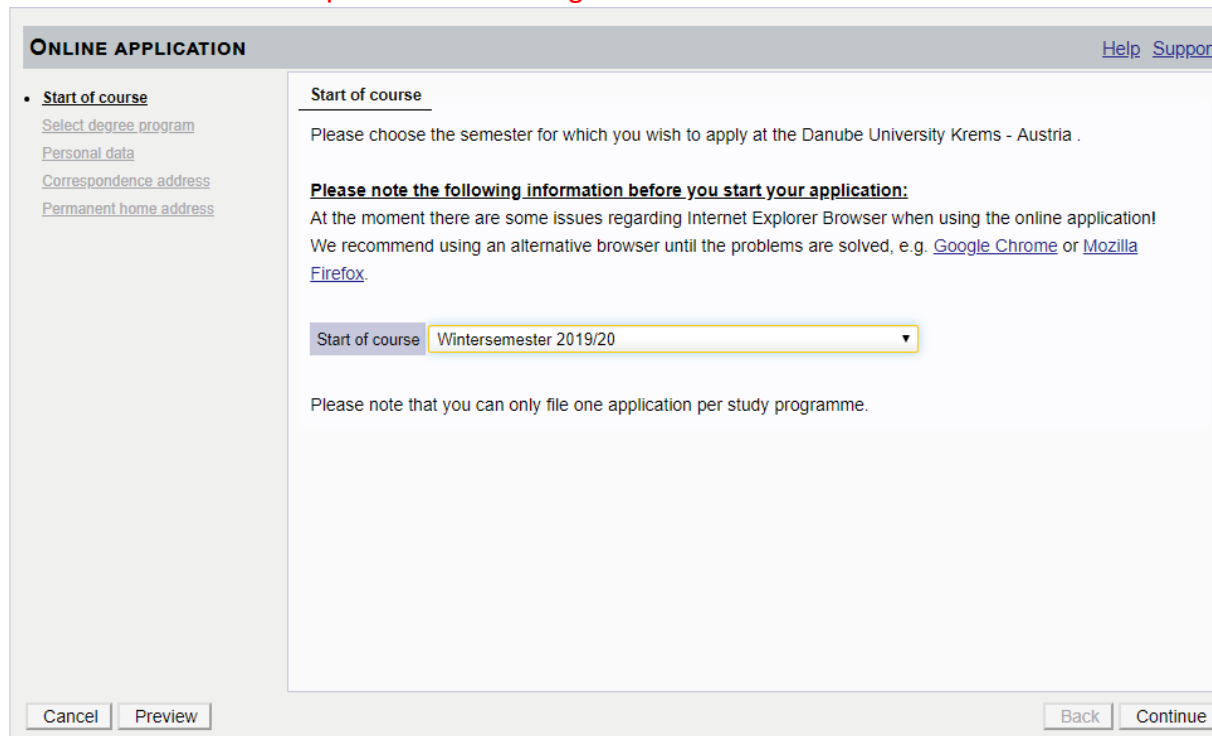

Manual for Online-Application

Step by step
> Start of studies

start of studies

Here you can choose the semester for which you would like to apply!

ATTENTION: it is not possible to change the semester afterwards!

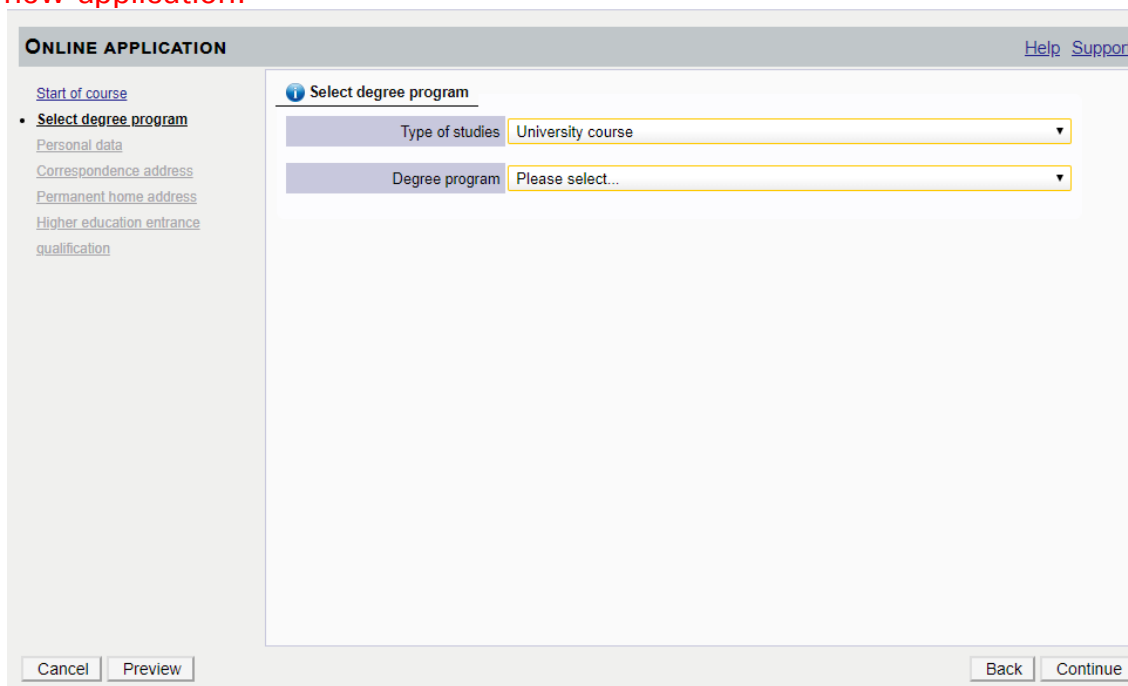

The screenshot shows a web application interface titled "ONLINE APPLICATION" with a "Help Support" link in the top right. On the left, there is a navigation menu with the following items: "Start of course" (selected), "Select degree program", "Personal data", "Correspondence address", and "Permanent home address". The main content area is titled "Start of course" and contains the following text: "Please choose the semester for which you wish to apply at the Danube University Krems - Austria .", a bolded instruction: "Please note the following information before you start your application:", and a paragraph: "At the moment there are some issues regarding Internet Explorer Browser when using the online application! We recommend using an alternative browser until the problems are solved, e.g. [Google Chrome](#) or [Mozilla Firefox](#)." Below this text is a dropdown menu labeled "Start of course" with "Wintersemester 2019/20" selected. At the bottom of the form, there are two buttons: "Cancel" and "Preview" on the left, and "Back" and "Continue" on the right.

Manual for Online-Application

- Step by step
 - > Study course selection

study course selection

Here you can see a list of the study programmes for which you can apply. (Listing according to study number - you will get this information from your course supervisor). **ATTENTION: a change of the university course requires a new application!**

The screenshot shows a web application interface titled "ONLINE APPLICATION" with a "Help Support" link in the top right. On the left, there is a navigation menu with links: "Start of course", "Select degree program" (which is the active step), "Personal data", "Correspondence address", "Permanent home address", "Higher education entrance qualification", and "qualification". The main content area is titled "Select degree program" and contains two dropdown menus: "Type of studies" with the value "University course" and "Degree program" with the value "Please select...". At the bottom of the form, there are buttons for "Cancel", "Preview", "Back", and "Continue".

Manual for Online-Application

Step by step

- > Personal data
- > Social security no.

Recording of personal data

The matriculation number must only be entered if you have already been assigned a matriculation number at an Austrian university!

The social security number is only to be entered if it is an Austrian social security number!

Manual for Online-Application

- Step by step
 - > correspondence address

correspondence address

The correspondence address or study address is the address at which you can be reached during your studies. This address may differ from your home address. If the correspondence address and the home address are identical, you can copy the address data to your home address.

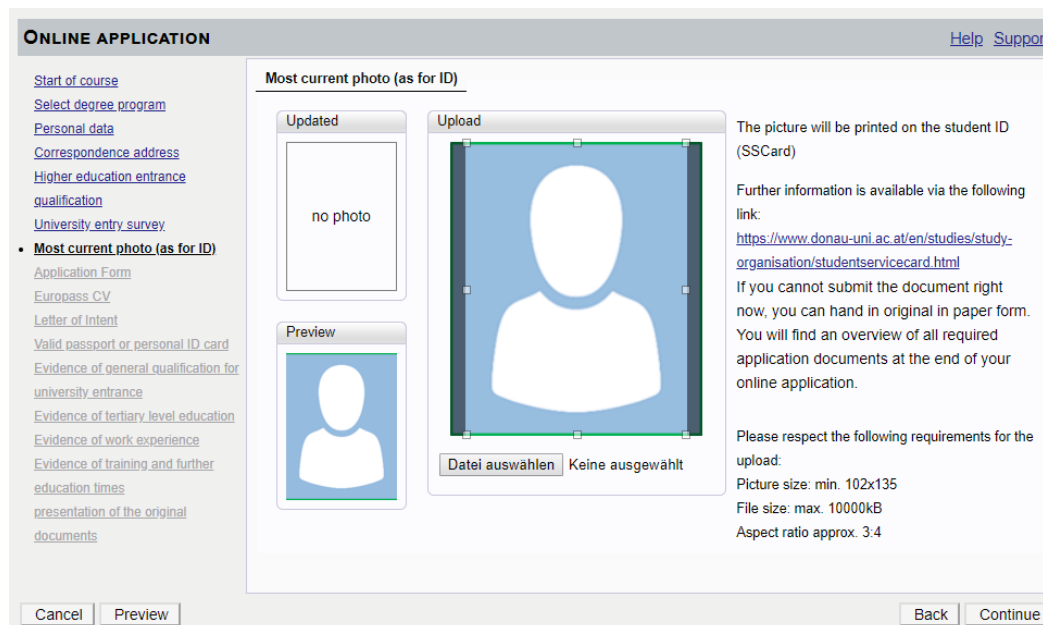

The screenshot shows the 'ONLINE APPLICATION' interface. On the left is a navigation menu with links: 'Start of course', 'Select degree program', 'Personal data', 'Correspondence address' (highlighted), 'Permanent home address', 'Higher education entrance qualification', and 'University entry survey'. The main content area is titled 'Correspondence address' and contains a form for 'Correspondence address (semester address)'. The form fields are: 'Mail delivery c/o', 'Street and number', 'Postal Code/City' (split into two boxes), 'Country/State' (dropdown menu), 'Region' (dropdown menu), 'Telephone number', 'E-mail address', and 'Confirmed e-mail address'. Below the form is a checkbox labeled 'My correspondence address (during the semester) is identical with my permanent home address.', which is highlighted with a red border. At the bottom of the form are 'Cancel' and 'Preview' buttons on the left, and 'Back' and 'Continue' buttons on the right.

Manual for Online-Application

Step by step
 > Photo upload

Current passport photo

Please note the format specification for your photo - portrait format (aspect ratio 3:4) To define the image section, hold down the mouse button and drag the frame. In the preview window you can see which image section will be uploaded for your photo.
